My trip to Spiti Valley was like stepping into a different world!

Nestled in Himachal Pradesh, India, this high-altitude desert wonderland was stunningly beautiful. I was awestruck by the ancient monasteries, especially Key and Tabo, where the Buddhist culture felt so rich and alive. Chandratal Lake was a serene, almost magical place, and trekking through Dhankar Lake was an absolute highlight. The stars at night were unlike anything I've seen, perfect for camping. Navigating the rugged terrain and visiting charming villages like Kaza offered a heartwarming peek into the locals' vibrant lifestyle. This journey was truly a feast for the soul!

The Spiti was on my bucket for years. Finally I did it. Thanks to Adventurescape for memorable experience of Winter Spiti. Special mention to Harry for making sure to cover all the places which was given in the itinerary. Harry was so calm and patient throughout the trip, he has explained the things very nicely. Thank you very much for all your dedication to make this happen. The group was co-operative except few people and we had so much fun together. Satya bhaiya (Driver) also made sure that he takes the whole group together and answered all our random questions. All Homestays were really nice, food served was yummm and the people are very sweet and helpful. This trip was full of fun, we have enjoyed a lot.

Had very good experience with adventure escape. We enjoyed a lot during the trip. We want thank especially our driver Sunil. He is just awesome because of him we were able to see beautiful locations in very high altitudes. He is doing a great job. I would highly recommend him and adventure escape has to do something for him. Stays were very good especially homestay.

Only one suggestion I have please include guide along with driver because it's difficult to manage the things by driver himself. All in all it was great experience. Hope I will come back Spiti with you guys

For making our trip to Spiti Valley a memorable one. We had a great experience with Adventure Escape, especially with Sakshi from customer service. She helped us a lot in getting the best deal and provided us with all the necessary information for our tour of Spiti Valley.

The planning of the trip was excellent and everything went smoothly. The Mini Bus service provided by Adventure Escape was fantastic and our driver, Mr. Sunil bhai, was very nice and cooperative. He was also always available whenever we needed him.

Overall, we had a fantastic 9-day trip and we would definitely recommend Adventure Escape to our friends and family. We look forward to planning all our future trips with them. Thank you once again for everything and best of luck to Adventure Escape. 🙌
